2. Receive the Water Street TIF Annual Report for the FY ended December 31, 2021

Munch gave a summary of the TIF audited financials. The actual financial information was distributed to members of the Board prior to the meeting.

A Motion was made by Rasche and seconded by Brown. Motion approved unanimously.

3. Review the Summary of 2021 Water Street TIF District Increment Projection

Munch directed the Board to the information included in the agenda regarding notification from the Township Assessor regarding significant valuation changes to the TIF. The changes will be reflected in the 2022 property tax receipts for the TIF increment.

He indicated that the frozen valuation of the TIF did not change, however, the present valuation increased from \$6.3 million to \$9.4 million which results in an increase in the property tax increment that the TIF will generate. Munch deferred to Rasche to discuss what led to the reevaluation.

Rasche explained the various factors that led to the increase in the EAV including a property reassessment and addition of a property that was previously tax exempt.

Stanish asked how often reevaluations are done and the year the tri-annual assessments are due. Rasche responded indicating reevaluations are completed every four years. The next reevaluation is due in 2023.

Munch continued the presentation with the debt service summary. With the new valuation, the TIF will likely generate enough incremental taxes to pay off the existing debt over the remaining life of the TIF. The plan is that the TIF will end once the debt service is fully paid off.

Rasche requested clarification that the projection does not include any future development within the current EAV. Mayer confirmed that is the case.

E. OLD BUSINESS:

F. ADJOURNMENT:

A motion was made by Rasche to adjourn the meeting, seconded by Nagle. Motion unanimously approved and the meeting was adjourned at 10:30 a.m.

ACTION REQUESTED:

Receive the Water Street TIF Annual Report for the fiscal year ended December 31, 2022

DEPARTMENT: Finance Department

BOARD/COMMISSION REVIEW:

BACKGROUND:

The Illinois Tax Increment Allocation Redevelopment Act requires that the Annual TIF Report be submitted to the state upon completion of the annual independent audit of the fund. That report shall then be submitted to the Joint Review Board. The City received the annual independent audit of the Water Street TIF on June 28, 2023, and subsequently transmitted the annual TIF report to the Illinois Comptroller's Office on July 5, 2023.

DISCUSSION:

As required by Illinois state statute, the City's independent auditor, Sikich LLP, conducted the annual audit of the Water Street TIF Fund and submitted its audit report to the City on June 28, 2023. Per the audited financial statements for 2022, the fund had total revenue of \$607,989. Revenue included \$607,536 in property tax increment and \$453 in net interest.

Fund expenditures for annual auditing fees totaled \$4,012. Transfers out totaled \$607,587. Transfers out included the current-year tax increment transferred to the Debt Service Fund for payment of the TIF debt service.

The fund balance on December 31, 2022, totaled \$40,272.

Further detail can be found in the attached 2022 Annual TIF Report, which includes the independent audit report from Sikich.

NAPERVILLE WATER STREET TIF DISTRICT

The Water Street Development continues to be a prominent destination for dining and shopping within the City's central business district. In alignment with the City's expectations, the project has completely transformed and defined the southern boundary of Downtown Naperville. What was once a forgotten street, is now a destination for weddings, meetings, conferences, and visitors seeking unique shopping and dining options. The Riverwalk Extension and parking provide important connections and amenities to serve the entire downtown. The parking deck and hotel, which is the only accommodation choice in Downtown Naperville, have consistently served as important amenities supporting a variety of cultural and community events and activities.

No new activities were undertaken in 2022.

3. Review the Summary of 2021 Water Street TIF District Increment Projection

Munch directed the Board to the information included in the agenda regarding notification from the Township Assessor regarding significant valuation changes to the TIF. The changes will be reflected in the 2022 property tax receipts for the TIF increment.

He indicated that the frozen valuation of the TIF did not change, however, the present valuation increased from \$6.3 million to \$9.4 million which results in an increase in the property tax increment that the TIF will generate. Munch deferred to Rasche to discuss what led to the reevaluation.

Rasche explained the various factors that led to the increase in the EAV including a property reassessment and addition of a property that was previously tax exempt.

Stanish asked how often reevaluations are done and the year the tri-annual assessments are due. Rasche responded indicating reevaluations are completed every four years. The next reevaluation is due in 2023.

Munch continued the presentation with the debt service summary. With the new valuation, the TIF will likely generate enough incremental taxes to pay off the existing debt over the remaining life of the TIF. The plan is that the TIF will end once the debt service is fully paid off.

Rasche requested clarification that the projection does not include any future development within the current EAV. Mayer confirmed that is the case.
