The Naperville Police Department is once again honored to provide elementary school students and their families with this year's Crime Prevention Calendar.

This is the 37th edition of this treasured community collaboration containing crime prevention messages that benefit us all. The messages and illustrations contained within the calendar were created by students from Districts 203 and 204, as well as Naperville's private schools. It is evident these talented students are both artists and ambassadors of important crime prevention messages. Their artwork demonstrates that even our youngest residents understand the importance of sharing reminders and working together to keep our community safe.

This year's calendar cover portrays students along with Naperville Police Department's K9 officers enjoying a sun-filled afternoon at the Jaycees Playground along Naperville's iconic Riverwalk. Originally built in 1990 and then renovated in 2019, this ADA-accessible playground was constructed to provide inclusive, creative play for children of all abilities. It provides a perfect backdrop to illustrate the strong bonds between the Naperville Police Department and the community.

The work and dedication of Naperville's K9 officers and their K9 partners are unparalleled. Each team attends a specialized K9 academy at the start of their career, attends formal training sessions with other K9s twice a month, and trains together daily to maintain their skills. They are proficient at tracking missing people, searching for suspects and evidence, and locating illegal narcotics and provide a tremendous benefit to the community. These officers and their K9 partners also participate in many educational opportunities throughout the city, sharing crime prevention messages like those illustrated so beautifully by the students represented in this year's calendar.

The Crime Prevention Calendar is a time-honored collaboration showcasing the unity of the Naperville community and our shared efforts to keep our city one of the safest in which to raise a family. I hope you'll keep this Crime Prevention Calendar handy, discuss and practice its messages with your family, and continue to partner with us on crime prevention.

Enjoy the school year and be safe!

Sincerely,  
Jason R. Arres, Chief of Police

Thank You!

OFFICE OF THE MAYOR

Dear Students & Parents,

I am pleased to extend my warmest greetings to you as the Mayor of the City of Naperville. As we approach the new year, I would like to take this opportunity to share with you some important information regarding crime prevention and safety in our community.

For the past 37 years, the Naperville Police Department has been producing a crime prevention calendar, and it has become an important tradition in our city. I am proud to say this calendar has been a valuable resource for our community, providing helpful tips on how to prevent crime and stay safe.

As we all know, safety is a top priority for everyone, especially for our children. This is why I encourage you to take the time to review the safety tips included in this calendar and to share them with your family and friends. By working together, we can create a safer and more secure community for all of us.

I would like to express my gratitude to the Naperville Police Department for their diligent work and commitment to keeping our city safe. Their efforts have helped to maintain Naperville's reputation as one of the safest cities in the United States.

In closing, I would like to wish you all a safe and prosperous year ahead. Let us continue to work together to make our community a better place for everyone.

Sincerely,

Mayor Scott A. Wehrli  
City of Naperville
