- B. Establishment of the Registry. The City shall establish a separate interested parties registry for each Redevelopment Project Area, whether existing as of the date of the adoption of these Rules or hereafter established. The City shall establish a new registry whenever it has identified an area for study and possible designation as a Redevelopment Project Area. In any event the process of establishing the new registry must be completed prior to the deadline for sending any of the notices required by Section (J) of these rules or any other notices required by the Act with respect to the proposed Redevelopment Project Area.

The registration of all individuals and organizations whose Registration Form and supporting documentation is submitted in a timely manner and complies with Registration Rules shall be renewed for an additional, consecutive three year period. If the Director of TED determines that a registrant's renewal Registration Form and/or supporting documentation is incomplete or does not comply with these Registration Rules, the Director of TED shall give written notice to the registrant at the address specified in the renewal Registration Form submitted by such registrant, specifying the defect(s). The registrant shall be entitled to correct any defects and resubmit a new Registration Form and supporting documentation within thirty (30) days of the receipt of the Director of TED's notice.
