This Agreement has been negotiated and does not include a franchise fee or other payment to compensate the CITY for use of its Public Streets. The fees and charges imposed under this Agreement are those which the parties acknowledge are reasonably related to legitimate expenses of the CITY in negotiating, entering into and administering this Agreement. In the event the state or federal law, now or in the future, requires the imposition and collection of a franchise fee for use of public streets in the way the, the CITY may cause this Agreement to be amended to provide for the payment of a lawful franchise, license or permit fees to replace the fees and charges imposed under this Agreement by serving written notice on the LICENSEE.

In such event, all other unaffected provisions of this Agreement shall remain in full force and effect.

- e. Other City Costs: The LICENSEE shall reimburse the CITY for all additional costs and expenses incurred by the CITY in connection with any issuance, modification, amendment, renewal or transfer of this Agreement or of the Right-Of-Way Use License granted pursuant to this Agreement. - f. The acceptance by the CITY of any payment shall not be construed as an accord by the CITY that the amount of such payment is the correct amount due from the LICENSEE pursuant to this Agreement, nor shall such acceptance of any payment be construed to be a release or waiver of any claim the CITY may have for further or additional sums due and payable pursuant to this Agreement.
 - g. All payments due to the CITY from the LICENSEE pursuant to this Agreement shall be paid without counterclaim, setoff, deduction or defense. In the event the LICENSEE does setoff or deduct any amount from any such payment or otherwise reduces the amount due based on a counterclaim or defense, the CITY shall have the right to, without any liability to the LICENSEE, its customers or any third Persons, pursue all remedies available to it at law or in equity, including without limitation, revocation of the LICENSEE's License.
 - h. Payment by the LICENSEE to the CITY of the fees and charges set forth in this Agreement are compensation for CITY services and shall not be considered in the nature of a tax. Such payments shall be separate from, and additional to, all federal, state, local and municipal taxes, as may be due, which are separate and distinct obligations of the LICENSEE.
6. INTERCITY CIRCUITS AND REPORTING REQUIREMENTS
- a. This Agreement contemplates that the LICENSEE might construct circuits from within the CITY limits of the CITY extending to points beyond such CITY limits and providing point-to-point nonswitched interexchange telecommunications services with no intermediate Services within the CITY ("Intercity Circuits"). Should Intercity Circuits be established, the LICENSEE agrees to bill its customers separately for telecommunication Services provided through Intercity Circuits.
 - b. The LICENSEE shall furnish to the City Treasurer such information as may be reasonably required by the City Treasurer to effect compliance by the LICENSEE and the LICENSEE's customers with the City of Naperville Utility Tax Ordinance (Title 3, Chapter 1, of the Naperville Municipal Code, as amended) and any other ordinances of the CITY which shall be in effect from time to time regulating, taxing or otherwise concerning the LICENSEE's operation of a Telecommunications System pursuant to this Agreement. The Parties hereto expressly intend and acknowledge that the LICENSEE's fiber optic cables and telecommunication lines will be personal property of the LICENSEE and not fixtures. The LICENSEE also specifically acknowledges its duty to collect and remit to the CITY the CITY's Utility Tax and acknowledges its duty and obligation to comply with the

ordinances of the CITY, including any ordinances that require the payment or collection of another CITY tax or the obtaining of any CITY licenses. Breaching the provisions of this Section shall be a default under this Agreement.

- a. The LICENSEE shall locate all its Facilities underground in new or existing ducts, conduits or vaults.
 - b. The LICENSEE shall use existing ducts, conduits or vaults whenever excess capacity exists within such facilities.

 - d. Whenever any new or existing CITY-owned electric utilities, or other CITY-owned facilities are located or relocated underground within a public way of the CITY, the LICENSEE that currently occupies the same public way shall relocate its facilities underground, at its sole expense within eighteen (18) months, which in no event shall be later than the end of the grant term. Such relocation shall be made concurrently to minimize the disruption of the public ways.
 - e. The LICENSEE's facilities permitted to be installed underground shall be installed within an existing underground duct or conduit owned by the LICENSEE whenever surplus capacity is reasonably available within such existing facilities. The LICENSEE's facilities permitted to be installed on overhead facilities shall be installed on pole attachments to existing utility poles owned by the LICENSEE whenever surplus capacity is reasonably available within such existing facilities.

The LICENSEE's facilities permitted to be installed on overhead facilities shall be installed on pole attachments to existing utility poles owned by other entities whenever surplus capacity is reasonably available within such existing facilities, and permission for such use is reasonably available from the other entity.

- g. Whenever surplus capacity on the LICENSEE's or other entity's existing facilities, or permission for the LICENSEE to use surplus capacity on other entity's facilities, is not reasonably available to reasonably accommodate the LICENSEE's new facilities, thereby requiring the LICENSEE to construct or install new facilities within public streets, utilities or easements, the LICENSEE shall so construct and install such facilities to industry standards so as to provide additional capacity in the form of ducts, conduits, manholes and other facilities to reasonably accommodate future entities on a nondiscriminatory access basis, and shall reasonably permit such use by such future entities; provided however, the CITY shall pass any necessary ordinances and take all reasonable steps legally available to require any such future entities to utilize the LICENSEE's excess capacity if the LICENSEE's excess capacity will reasonably accommodate such future entity's needs, and such future entity pays the LICENSEE compensation in accordance with Federal Communications Commission (FCC), Illinois Commerce Commission (ICC) or other applicable regulatory standards.

This Agreement shall be deemed to grant only such rights to use Public Ways and Public Streets as the CITY may have the right and power to grant in this Agreement. The LICENSEE has the right to conduct or obtain a title search of the Public Ways and Public Streets to ascertain the status of the CITY's rights and interests in the same, which shall be at the LICENSEE's sole cost and expense.
- b. Nonexclusive Use: The LICENSEE's right to use and occupy the Public Ways or Public Streets shall not be exclusive. The CITY hereby reserves the right to grant any right or use of such Public Ways or Public Streets to any Person or at any time during the period of the License and any renewal or extension thereof, provided and subject to this Agreement, that such grant does not obstruct, injure or prevent the use and operation of the Telecommunications System or any Facilities.
- c. Other Utilities: The CITY hereby retains the right to lay and permit to be laid, sewer, gas, water, electric, and other pipelines, cables and conduits in any Public Way, to change any curb or sidewalk or the grade or dimension of any street, and to perform and to permit to be performed any other work as the CITY shall deem necessary or proper in its sole judgment and discretion. All such work shall be performed, insofar as practicable, in such manner as not to obstruct, injure or prevent the free use and operation of Facilities. If any such Facilities shall interfere with the construction or repair of any Public Way or public

utility or other improvement therein, the LICENSEE shall, at its sole cost and expense, commence and diligently prosecute to completion, the relocation, removal or replacement of such Facilities, within ninety (90) days after the delivery of such written notice by the CITY. Such work shall be performed as reasonably directed by the CITY. In the event the Facilities must be so relocated, the CITY's project manager, or his or her designee, shall use best efforts to identify alternative rights of way for the relocated Facilities. In the event relocation of the Facilities or any part thereof is necessary in order to accommodate improvements or construction performed by or on behalf of a federal, state or county governmental agency from which the CITY receives payment for relocation of existing facilities, the CITY shall reimburse the LICENSEE for its pro-rata share of such relocation payments received from the governmental agency. In the event relocation of the Facilities or any part thereof is necessary in order to accommodate improvements or construction performed by or on behalf of any non-governmental third party, such third party shall pay for the entire cost of relocation of the Facilities.

- d. Creation or Dedication of Public Street: The LICENSEE shall discontinue any use of the Public Street, if the CITY reasonably determines that such use is inconsistent with the Public health or safety or with the purposes for which such Public Street was created or dedicated or is currently being used. The LICENSEE acknowledges and accepts at its own risk that the CITY may make use in the future of the Public Ways and Public Streets in which the LICENSEE's Telecommunications System is located in a manner inconsistent with the LICENSEE's use of such Public Ways and Public Streets for its placement of its Telecommunication System. In the event the Facilities must be relocated, the CITY's project manager, or his or her designee, shall use best efforts to identify alternative Public Ways and Public Streets for the relocated Facilities.
- e. Improvements or Changes on Public Streets: If the CITY shall desire to make any improvements or changes on, or to all, or any part of any utilities or Public Ways and Public Streets, over, under or along which any part of the Telecommunications System has been installed, then the LICENSEE shall, at its sole expense after ninety (90) days written notice from the CITY, proceed to alter, change, vacate or remove as directed by the CITY any part of the Telecommunications System necessary to accommodate the CITY's planned improvements or changes. In the event such Facilities shall be required to be removed, the CITY's project manager, or his or her designee, shall use best efforts to identify

alternative areas or Public Ways and Public Streets for the relocation of the LICENSEE Facilities and provide the LICENSEE with additional time up to one hundred twenty (120) days total to remove said Facility, provided, however, that nothing in this subsection shall be construed as requiring or obligating the CITY to identify alternative areas or Public Ways and Public Streets.

In the event an emergency should arise wherein the CITY deems it necessary to have the LICENSEE move its Facilities, the CITY's project manager, or his or her designee, shall certify, in writing, the basis of the emergency and shall give the LICENSEE fourteen (14) days to move its Facilities. The CITY shall not have liability for any damages as a result of such movement, unless such damages are caused by or arise from the gross negligence or willful misconduct of the CITY, its employees, agents or contractors. Wherever, in case of fire or other disaster, it becomes necessary in the judgment of the CITY to remove or damage any of the LICENSEE's Facilities, no charge shall be made by the LICENSEE against the CITY for restoration and repair.

- f. Vacation or Abandonment of a Public Street: In the event any Public Ways or Public Streets or portion thereof used by the LICENSEE shall be vacated by the CITY, then, upon request and notice from the CITY, the LICENSEE shall, at its sole cost and expense, remove its Facilities therefrom within one hundred twenty (120) days of the date of such notice. In the event such Facilities shall be required to be removed, the CITY's project manager, or his or her designee, shall use best efforts to identify alternative areas or Public Ways and Public Streets for the relocation of the LICENSEE's Facilities, provided, however, that nothing in this subsection shall be construed as requiring or obligating the CITY to identify alternative areas of Public Ways and Public Streets.
- g. Temporary Removal or Relocation of the Telecommunications System: In the event it is necessary to temporarily remove or relocate any Facilities in order to move any object, vehicle, building or other structure, the LICENSEE shall, upon sixty (60) days written notice from the CITY and at its sole cost and expense, temporarily remove or relocate such Facilities.

10. RESTORATION

- a. The LICENSEE's Obligation: Upon completion of any construction work, the LICENSEE shall, at its sole cost and expense, and in the manner approved by the CITY or the affected property owner, in their sole judgment and discretion, as the case may be, promptly repair

the Public Ways and Public Streets, private property, utility or improvement and restore the same to, as nearly as practicable, the condition existing prior to the performance of the work. Each site of completed construction shall be immediately placed in a safe temporary condition and restoration of the same shall be completed within fourteen (14) calendar days after the date of commencement of such restoration work, provided, however, the time for completing restoration work shall be extended as may be reasonably necessary under the circumstances in the event adverse weather conditions prevent completion of restoration within the time period provided herein. In the event that the LICENSEE fails to commence or complete the restoration work in the manner and within the time periods prescribed herein, the CITY may, but shall have no obligation to, perform such work and recover from the Security Fund established pursuant to this Agreement any costs and expenses the CITY may incur. In the event that such Public Street, private property, utility, or improvement cannot be so repaired or restored, the LICENSEE shall pay the CITY or the affected owner of the same, as the case may be, just compensation.

- b. Continuing Responsibility: Where any such destruction, damage or disturbance is not immediately discovered, or where any such restoration effort fails or is otherwise inadequate or insufficient, the LICENSEE's obligation for restoration shall survive the termination or expiration of this Agreement for a period of two (2) years after termination of this Agreement.
- c. Failure, Neglect or Refusal to Repair: In the event of any failure, neglect or refusal by the LICENSEE, after ten (10) days written notice from the CITY, to repair or provide just compensation for such destruction, damage or disturbance within the time period as provided in this Agreement, the CITY may, but shall be under no obligation to, perform such work, or cause it to be performed, and the actual cost thereof as found and declared by the CITY, shall be paid by the LICENSEE within thirty (30) days after demand therefor. If the LICENSEE fails to so reimburse the CITY, the CITY may collect the amount due from the Security Fund established pursuant to this Agreement or if the Security Fund is insufficient to satisfy the amount due, the CITY may pursue its remedies by court action or otherwise.

11. RECORDS

- a. Books and Records: The LICENSEE shall maintain, at all times during the Term of this Agreement: (1) complete, accurate and properly totaled books and records showing the business conducted by the LICENSEE in the CITY, and (2) complete, accurate and up to date

maps of the Telecommunications System. The CITY may require the LICENSEE to keep additional records and maps which it determines are reasonably necessary.

- b. Inspections and Audits: All of such books and records and originals of all maps and other documents pertaining to this Agreement shall be maintained in and made available for inspection by the CITY, its agents or employees, at the LICENSEE's office, at reasonable times and intervals. The CITY shall have the right to make or obtain copies, at its expense, of all documents, maps or records (except customer lists) pertaining to this Agreement. The LICENSEE shall fully cooperate in assisting in this regard.
- c. Inquiries: The CITY may, at any time, make inquiries pertaining to the License and the operation of the Telecommunications System. The LICENSEE shall respond to such inquiries within five (5) business days of such inquiry.
- d. Duty to Provide Information
 - i. Within ten (10) business days of a written request from the CITY's project manager, or his or her designee, the LICENSEE shall furnish the CITY with information sufficient to demonstrate:
 - 1. That the LICENSEE has complied with all requirements of Section 9-1B of the Naperville Municipal Code.
 - 2. That all Municipal taxes and fees due the CITY in connection with the Services and Facilities provided by the LICENSEE have been properly collected and paid by the LICENSEE.
 - 3. All books, records, maps and other documents, maintained by the LICENSEE with respect to its facilities within the public streets and ways shall be made available for inspection by the CITY at reasonable times and intervals.
- e. Confidentiality: If either party provides confidential information to the other in writing and identified as such, the receiving party shall protect the confidential information from disclosure to third parties with the same degree of care afforded its own confidential and propriety information, except that neither party shall be required to hold confidential any information (1) which becomes publicly available other than through the recipient, (2) which is required to be disclosed by a governmental or judicial order (notice of which shall be provided to the original disclosing party prior to such required disclosure), (3) which is required to be disclosed by statute, (4) which is independently developed by the receiving

party, or (5) which becomes available to the receiving party without restriction from a third party. These obligations shall survive expiration or termination of this Agreement for a period of three (3) years. In addition, upon termination of this Agreement, the receiving party of any written confidential information shall promptly return to the disclosing party all copies of such confidential information.

12. PERFORMANCE AND CONSTRUCTION SURETY

- a. Amount: On or before the Effective Date, and as necessary thereafter, the LICENSEE shall establish, provide and deposit with the CITY a construction and performance bond written by a corporate surety acceptable to the CITY equal to at least one hundred ten percent (110%) of the estimated cost of the constructing the LICENSEE's Facilities within the Public Ways and Public Streets (also referred to herein as "Security Fund").
- b. At a minimum, construction and performance bond shall (1) provide that it shall not be canceled without the prior written consent of the CITY, and (2) not require the consent of the LICENSEE prior to the collection by the CITY of any amounts covered by said construction and performance bond.
- c. The construction and performance bond shall guarantee, to the satisfaction of the CITY:
 - i. Timely completion of construction;
 - ii. Construction in compliance with applicable plans, permits, technical codes and standards;
 - iii. Proper location of the facilities as specified by the CITY;
 - iv. Restoration of the Public Ways, Public Streets and other property affected by the construction;
 - v. The submission of "as-built" drawings after completion of the work as required by Section 9-1B of the Naperville Municipal Code; and
 - vi. Timely payment and satisfaction of all claims, demands or liens for labor, material or services provided in connection with the work.
- d. The construction and performance bond shall remain in force until sixty (60) days after substantial completion of the work, as determined by the project manager, or his or her designee, including restoration of Public Ways, Public Streets and other property affected by the construction, provided that on such date there are no claims of any type outstanding at such time asserted against the LICENSEE or the CITY, arising out of any acts or omissions of the LICENSEE relating to the License.

- e. The construction and performance bond shall be maintained at the LICENSEE's sole cost and expense.
- f. Purpose: The construction and performance bond shall serve as security for (1) the faithful performance by the LICENSEE of all provisions of this Agreement, (2) any expenditure, damage or loss incurred by the CITY occasioned by the LICENSEE's failure to comply with all codes, ordinance, rules, regulation, orders, permits, the Final Plans and Specifications and other directives of the CITY issued pursuant to this Agreement, (3) the payment by the LICENSEE of all liens and taxes and all damages, claims, costs or expenses that the CITY has paid or incurred by reason of any act or default of the LICENSEE including, without limitation, any restoration work that the CITY must perform itself or have completed as a consequence of the LICENSEE's failure to so perform or complete, and all other payments due the CITY from the LICENSEE pursuant to this Agreement, (4) any costs, expenses, fees or other payments due under this Agreement and (5) any expenses incurred by the CITY pursuant to this Agreement.
- g. Replenishment: Within fourteen (14) days after receipt of written notice from the CITY that any amount has been withdrawn from the construction and performance bond, the LICENSEE shall restore the construction and performance bond to the amount specified in this Agreement.
- h. Withdrawals: If the LICENSEE (1) fails to make any payment required to be made by the LICENSEE hereunder after notice is given pursuant to this Agreement, or (2) repeatedly fails to make timely payment hereunder, or (3) fails to pay any taxes or liens relating to the Telecommunications System that are due and unpaid, or (4) fails to pay to the CITY any damages, claims, costs or expenses which the CITY has been compelled to pay or incur by reason of any act or default of the LICENSEE, or (4) fails to comply with any provision of this Agreement that the CITY determines can be remedied by an expenditure of an amount in the Security Fund, then, after three (3) days advance written notice from the CITY of its intention to exercise its rights under this subsection if not paid by the LICENSEE and the failure of the LICENSEE to pay the monies due, the CITY may withdraw the amount thereof from the construction and performance bond.
- i. Closing and Return of Security Fund: Upon any termination of this Agreement, the LICENSEE shall be entitled to the return of the construction and performance bond, or portion thereof as remains on deposit at such termination, and after account is taken

for all offsets necessary to compensate the CITY for the failure by the LICENSEE to comply with any provision of this Agreement. In the event of any revocation of the License, the construction and performance bond, and all accrued interest therein, shall become the property of the CITY to the extent necessary to cover any costs, loss or damage incurred by the CITY as a result of said revocation, provided that any amounts in excess of said costs, loss or damage shall be refunded to the LICENSEE.

- j. Rights Not Limited: The rights reserved to the CITY with respect to the construction and performance bond are in addition to all other rights of the CITY, whether reserved by this Agreement or authorized by law, and no action, proceeding or exercise of a right with respect to said construction and performance bond shall affect any other right the CITY may have.

13. LIABILITY, INDEMNIFICATION AND INSURANCE

a. Liability

- i. The LICENSEE: The LICENSEE shall be responsible for any damage or loss to any real or personal property of the CITY or of any Person, and for any injury to or death of any individual person, or any officer, employee or agent of the CITY, arising out of or in connection with the LICENSEE's negligence or misconduct in the construction, installation, use, operation, maintenance, repair and/or removal of the Telecommunications System or its failure to act in connection therewith.
- ii. The CITY: Except as may result from their negligence or misconduct, the CITY, its officers, employees and agents shall not be liable for any loss or damage to any real or personal property of any Person, or for any injury to or death of any individual person, arising out of or in connection with the LICENSEE's negligence or misconduct in the construction, operation, maintenance, repair or removal, or other action or event with respect to, the Telecommunications System.
- iii. Emergency and Other Action: The CITY may at any time in case of fire, disaster or other emergency as reasonably determined by the CITY, cut or move any Facilities, in which event the CITY shall not be liable therefore to the LICENSEE. When practical, as determined by the CITY, the LICENSEE shall be consulted prior to any such cutting or movement of its Facilities and be given the opportunity to perform such work itself. In the event it is not practical to notify

the LICENSEE prior to any such cutting or movement, the CITY shall notify the LICENSEE within a reasonable time after the CITY has actual knowledge of such cutting or movement.

- iv. Unless directly caused by the gross negligence, malicious or intentional acts, or willful misconduct of the CITY, its agents, employees or contractors, the CITY shall not be liable to the LICENSEE for any damage to or loss of all or any part of the Telecommunications System, or otherwise, as a result of or in connection with the protections, breaking through, movement, removal, alteration or relocation of any part of the Telecommunications System by or on behalf of the LICENSEE or the CITY in connection with any emergency, public work, public improvement, alteration of any municipal structure, any change in the grade or line of any Public Way, or the elimination, discontinuation and closing of any Public Way, as provided herein. When practical, as determined by the CITY, the LICENSEE shall be consulted prior to any such cutting or movement of its Facilities and be given the opportunity to perform such work on the Telecommunications System itself.
- v. The CITY, its officers, employees and agents shall not be liable to the LICENSEE or any affiliate of the LICENSEE for any special, incidental, consequential, punitive or other damages as a result of the exercise of any right of the CITY pursuant to this Agreement, including, without limitation, the right of the CITY to terminate the License, and to take any action subsequent thereto.

b. Indemnification

- i. Hold Harmless: The LICENSEE releases and shall, and does hereby agree to save, defend, indemnify and hold the CITY, its officers, employees and agents harmless from and against any and all injury, claim, demand, suit, cause of action, judgment, execution, liability, debt, losses, damages or penalty as a result of bodily injury, sickness, death or property damage or as a result of any other claim or suit of any nature whatsoever, (the "Claims") that may at any time arise out of, result from, or be alleged to arise out of or result from or in any manner connected with, directly or indirectly, the LICENSEE's use of the License, CITY property, CITY Public Ways, CITY Public Streets, or related to any of the LICENSEE's activities related to this Agreement or License, including but not limited to challenges to the LICENSEE's License, and including but not limited to the LICENSEE's negligence,

including its failure to act, or misconduct in the construction, operation, maintenance, repair, or removal of the Telecommunications System or the distribution of any Service over the Telecommunications System whether such acts or omissions are authorized, allowed or prohibited by this Agreement.

The LICENSEE shall, and does hereby agree to, pay any and all damages, losses and expenses, including reasonable attorney fees and costs of suit or defense, arising out of, resulting from or alleged to arise out of or result from the negligent, careless or wrongful acts, omissions, failures to act or misconduct of the LICENSEE or its affiliates, officers, employees, agents, contractors or subcontractors in the construction, operation, maintenance, repair or removal of its Facilities, and in providing or offering Service over the Facilities, Systems or Telecommunications System, whether such acts or omissions are authorized, allowed or prohibited by the Naperville Municipal Code or by this Agreement or any other agreement.

- ii. Defense Expense: The LICENSEE shall and does hereby agree to, pay all reasonable and documented expenses incurred by the CITY in defending itself with regard to any and all Claims mentioned in this Agreement. These expenses shall include all reasonable and documented out-of-pocket expenses, such as attorneys' and experts' fees, and shall also include the reasonable value of any services rendered by any employee of the CITY with respect to the CITY's defense of such Claims. The LICENSEE shall have the right to approve counsel selected by the CITY for defense of any Claims. In addition, the CITY shall provide prompt notice to the LICENSEE of any Claims made against the CITY and the LICENSEE shall have the right to approve the compromise or settlement of any Claims made against the CITY for which the LICENSEE is responsible for the defense or payment thereof.
- iii. Release and Waiver of Claims: The LICENSEE shall have no recourse against the CITY for any loss, expense or damage resulting from the terms and conditions of this Agreement nor because of the CITY's enforcement thereof. The LICENSEE shall be deemed to expressly agree that it accepts the License relying solely upon its own investigation and understanding of the power and authority of the CITY to grant said License and that, in partial consideration of the grant of said License, the LICENSEE waives and releases the CITY from all Claims of damages of any kind

whatsoever, either known or unknown, which it may have in connection with any matter specified in this Agreement.

- iv. Nothing contained herein shall be construed as a limitation or waiver of defenses available to the CITY and its agents, including, but not limited to the Illinois Local Government and Local Governmental Employees Tort Immunity Act.
 - v. The obligations provided for in this Section shall survive the expiration or termination of this Agreement.
 - vi. The LICENSEE shall give the CITY prompt written notice of any claim or cause of action falling within the terms of this Section that is filed against the LICENSEE, and shall fully cooperate with the CITY in the investigation and defense of the claim or cause of action.
- c. LICENSEE Insurance: The LICENSEE, as a condition of this License, shall secure and maintain the following liability insurance policies insuring both the LICENSEE and the CITY, and its officers, boards, commissions, elected and appointed officials, agents and employees as additional insureds as their interest may appear under this Agreement:
- i. **General Liability**: The Licensee shall maintain, throughout the Term of this Agreement, adequate proof of self-insurance (subject to the prior written approval of the CITY) or commercial comprehensive general liability insurance insuring both the LICENSEE and the CITY, and its officers, boards, commissions, elected and appointed officials, agents and employees as additional insureds with respect to liability arising out of work or operations performed by or on behalf of the LICENSEE. General liability coverage can be provided in the form of an endorsement to the LICENSEE's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 if a later edition is used) with coverage limits at least:
 - 1. Five million dollars (\$5,000,000.00) per occurrence for products and completed operations, property damage, bodily injury and personal & advertising injury (including death); and

If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

2. Coverage shall include premises-operations, explosion collapse and underground hazards, contractual liability and products/completed operations.
 3. For any claims related to this contract, the LICENSEE's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects the Entity, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the Entity, its officers, officials, employees, or volunteers shall be excess of the LICENSEE's insurance and shall not contribute with it.
- ii. Automobile: The LICENSEE shall maintain in its own name automobile liability insurance with coverage limits of not less than three million dollars (\$3,000,000) combined single limit each accident for bodily injury and property damage with respect to owned, non-owned and hired vehicles for the operations of which the LICENSEE is responsible. Such policy of automobile liability insurance shall name the CITY as an additional insured.
 - iii. Workers' Compensation and Employer's Liability: The LICENSEE shall also maintain Workers' Compensation Insurance within the statutory limits and Employer's Liability Insurance with coverage limits of not less than one million dollars (\$1,000,000).
 - iv. Waiver of Subrogation: LICENSEE hereby grants to Entity a waiver of any right to subrogation which any insurer of said LICENSEE may acquire against the Entity by virtue of the payment of any loss under such insurance. LICENSEE agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Entity has received a waiver of subrogation endorsement from the insurer.
 - v. Evidence of Insurance Policies: On or prior to the Effective Date, the LICENSEE shall furnish proof to the CITY's City Manager that the foregoing self-insurance is being maintained or insurance policies have been obtained, along with written

evidence of payment of required premiums, in the form of a certificate of insurance or adequate proof of self-insurance approved by the CITY.

- vi. Maintenance of Insurance Policies: The liability insurance policies required by this section shall be maintained by the LICENSEE throughout the Term of this Agreement and such other period of time during which the LICENSEE operates or is engaged in the removal of the Telecommunications System as subject to CITY inspection and approval. Each such insurance policy shall contain the following endorsement: "It is hereby understood and agreed that this policy may not be canceled nor the intention not to renew be stated until 30 days after receipt by the City of Naperville, by registered mail, of a written notice addressed to the City Manager of such intent to cancel or not to renew." Within sixty (60) days after receipt by the CITY of said notice, and in no event later than thirty (30) days prior to said cancellation, the LICENSEE shall obtain and furnish to the CITY replacement insurance policies meeting the requirements of this Section in a form acceptable to the City Attorney. The termination or expiration of insurance without replacement insurance as provided herein, shall automatically terminate the LICENSEE's License.
- vii. Alterations of Minimum Limitations: The CITY may, following the Effective Date, increase the minimum limitation(s) of the self-insurance or insurance policy or policies required in this Section by a percentage not to exceed the percentage increase in the Consumer Price Index for the Chicago Metropolitan Statistical Area as of the Effective Date.
- viii. No Limit of Liability: The legal liability of the LICENSEE to the CITY and any Person for any of the matters that are the subject of the insurance policies required by this Section, shall not be limited by said insurance policies or by the recovery of any amounts thereunder.

14. ASSIGNMENTS, TRANSFERS, LEASES AND SIMILAR ACTIONS

- a. CITY Approval Required: Neither the License nor any rights or obligations of the LICENSEE pursuant to this Agreement nor any of the LICENSEE's interest in the Telecommunications System shall be assigned or transferred, in whole or in part, to any Person, nor shall title thereto, either legal or equitable, or any right or interest therein, or any property or assets relating to the license or the Telecommunications System, pass to or vest in any Person,

nor shall any substantial change in control of the LICENSEE occur, either by act of the LICENSEE, by operation of law or otherwise, without the prior written consent of the CITY, which consent shall not be unreasonably withheld or conditioned, nor unduly delayed, and then only on such reasonable conditions as may there be prescribed. Nothing herein shall prevent the LICENSEE from assigning its rights and obligations to a parent, affiliate or subsidiary of the LICENSEE upon notice to the CITY, provided such parent, affiliate or subsidiary shall execute such documents and provide such necessary financial assurances as will reasonably assure performance of all of the LICENSEE's duties and responsibilities under this Agreement. Any such action completed without such prior consent of the CITY shall be a violation of this Agreement and shall, at the option of the CITY, which option may be exercised in the CITY's sole judgment and discretion and without further notice or procedure, render the License void and entitle the CITY to pursue all remedies available to it. The grant or waiver of any one or more of said consents shall not render unnecessary any subsequent consent or consents, nor shall the grant of any said consent constitute a waiver of any other rights of the CITY.

- b. Any transactions which singularly or collectively result in a change of fifty percent (50%) or more of the ownership or working control of the LICENSEE, of the ownership or working control of the License, of the ownership or working control of affiliated entities having ownership or working control of the LICENSEE or of a licensed system, or of control of the capacity or bandwidth of the LICENSEE's Telecommunication System, Systems, Facilities or substantial parts thereof, shall be considered an assignment or transfer requiring CITY approval pursuant to this Section.
- c. Transactions between affiliated entities are not exempt from CITY approval pursuant to this Section.
- d. Notice to the CITY: The LICENSEE shall promptly notify the CITY of any proposed action requiring the consent of the CITY pursuant to this Section, by submitting to the CITY at least sixty (60) days prior to the proposed action a petition requesting the approval of the CITY. The petition shall fully describe the proposed action and shall be accompanied by a justification for the action and such additional supporting information as the CITY may require in order to review and evaluate said action.

15. FORECLOSURE, CONDEMNATION AND RECEIVERSHIP

- a. Foreclosure: Upon the actual scheduled occurrence of any foreclosure or other judicial sale of all or any material part of the Telecommunications System or the involuntary termination of any lease or mortgage covering all or any material part of the Telecommunications System, the LICENSEE shall immediately notify the CITY of said occurrence. Said notification shall be treated as a notification of a proposed change in control of the LICENSEE, and the provisions of the "ASSIGNMENTS, TRANSFERS, LEASES AND SIMILAR ACTIONS" Section of this Agreement shall apply to any proposed transfer or assignment of this Agreement or the LICENSEE's rights hereunder, but shall not apply to the foreclosure or judicial sale of all or any part of the Telecommunications System itself.
- b. Condemnation: In the event that the Telecommunications System or any material part thereof is taken, appropriated, or condemned pursuant to law and the effect of such taking is to materially frustrate or impede the ability of the LICENSEE to carry out its obligations pursuant to, and the purposes of, this Agreement, then the CITY may revoke the License in accordance with the applicable provisions of this Agreement.
- c. Receivership:
 - i. Notification by the LICENSEE: The LICENSEE shall immediately notify the CITY, in writing, if the LICENSEE files a voluntary petition in bankruptcy, a voluntary petition to reorganize its business, or a voluntary petition to effect a plan or other arrangement with creditors, or
 - ii. The LICENSEE files an answer admitting the jurisdiction of the court and the material allegations of an involuntary petition filed pursuant to the Bankruptcy Code, as amended from time to time, or
 - iii. The LICENSEE is adjudicated bankrupt, makes an assignment for the benefit of creditors, applies for or consents to the appointment of any receiver or trustee of all or any material part of its property, including all or any material part of the Telecommunications System, or
 - iv. The LICENSEE institutes dissolution or liquidation proceedings with respect to its business, or
 - v. an order is entered approving an involuntary petition to reorganize the business of the LICENSEE or to effect a plan or other arrangement with creditors or appointing a receiver or trustee for the license of all or a part of its property, including all or any material part of the Telecommunications System, or

- vi. a writ or warrant of attachment, execution, distraint, levy, possession or any similar process shall be issued by any court against all or any material part of the property of the LICENSEE, including all or any material part of the Telecommunications System.

16. SAFETY

- a. Standard of Care: The LICENSEE shall at all times utilize the standard of care attendant to the risks involved and shall install and maintain in use commonly accepted methods and devices for preventing failures and accidents which are likely to cause damage, injury or nuisance to the public or to employees of the LICENSEE.
 - b. Equipment, Installation and Maintenance: All installations of the Telecommunications System shall be made so as not to impact the fire integrity of any building or structure. The LICENSEE shall install and maintain its Facilities in accordance with the requirements of all applicable codes, and in such manner that they will not interfere with any installations of the CITY, wherever situated or located, shall at all times be kept and maintained in a safe and stable condition and in good order and repair.
17. NO EXTRANEOUS INDUCEMENTS: The LICENSEE acknowledges that it has not been induced to accept the License created herein by any promise, oral or written, by or on behalf of the CITY or by any third Person regarding any term or condition in this Agreement not expressed herein. The LICENSEE shall further be deemed to warrant that no promise or inducement, oral or written, has been made to any CITY employee or official regarding receipt of the License, other than as contained in this Agreement.
18. COMPLIANCE WITH LAW: The LICENSEE shall, at all times, comply with the applicable laws, codes, rules and regulations of all Governmental Authorities, regardless of whether such laws, codes, rules or regulations are expressly referenced in this Agreement. The LICENSEE shall, at all times, comply with all applicable laws, ordinances, resolutions, codes, rules and regulations of the CITY, and all applicable memoranda and other directives of the CITY, as such laws, ordinances, resolutions, codes, rules, regulations, memoranda and directives may be modified or amended, provided that such modification or amendment does not impair, conflict with or diminish the rights granted the LICENSEE under this Agreement. The LICENSEE reserves all rights under current and future preemptive state and federal laws.

19. REVOCAION OR TERMINATION OF PRIVILEGES

- a. City Authority to Revoke: Subject to the provisions of subsection (b) and subsection (c) of this Section of this Agreement, the permission and authority granted by the CITY to the LICENSEE to use the Public Streets set forth in this Agreement for its Telecommunication System may be revoked by the City Manager whenever any of the following events occur:
 - i. The LICENSEE fails to comply with the conditions of occupancy of the Public Ways set forth herein or in the Code or ordinances of the CITY, or
 - ii. The LICENSEE substantially violates other material terms of this Agreement, or
 - iii. The LICENSEE practices fraud and deceit upon the CITY or its customers, or
 - iv. The LICENSEE fails to provide or pay any material portion of the compensation or fees owed the CITY pursuant to this Agreement when due, or
 - v. The LICENSEE fails to furnish records when due or fails to cooperate with the reasonable requests by CITY officials for information or for inspection, or
 - vi. THE LICENSEE becomes insolvent, or unable or unwilling to pay its unprotsted debts, or is adjudged bankrupt or seeks relief under the bankruptcy laws.

- b. Notice: If the City Manager believes that grounds for revocation exist or have existed, the City Manager shall notify the LICENSEE in writing, setting forth the nature and general facts of such noncompliance. If, within thirty (30) days following the CITY's mailing of such written notification, the LICENSEE has not furnished reasonably satisfactory evidence that corrective action has been taken or is being actively and expeditiously pursued, or that the alleged violations did not occur, or that the alleged violations were beyond the LICENSEE's control pursuant to the "FORCE MAJEURE" Section of this Agreement, the City Manager shall thereupon refer the matter to the City Council. Upon good cause, the thirty (30) day correction period shall be extended for such reasonable time as the parties shall mutually determine is necessary to complete such cure. Such good cause must be detailed in writing to the City Manager within five (5) days prior to the lapse of the thirty (30) day correction period. Mailing of such notice as and when above provided shall be equivalent to personal notice and shall be deemed to have been given on the date of mailing.

- c. Hearing: The City Manager shall not revoke or terminate the License and the rights granted herein until prior written notice is given to the LICENSEE that the City Manager proposes to take such action and the grounds therefore. Further, the City Manager shall not revoke or terminate the License and the rights granted herein until the LICENSEE has had a reasonable opportunity to be heard.

20. RIGHTS AND REMEDIES: In the event of a material breach of this Agreement by the LICENSEE, as determined in the sole judgment and discretion of the CITY, the CITY may terminate the License and the rights granted to the LICENSEE hereunder. In the event of a breach or an alleged breach of this Agreement by either Party, either Party may, by suit, action, mandamus or other proceeding, in law or in equity, enforce or compel the performance of this Agreement. In the event of a judicial proceeding by any Party to this Agreement against the other Party, the prevailing Party shall be entitled to reimbursement from the unsuccessful Party of all costs and expenses, including reasonable attorneys' fees, incurred in connection with such judicial proceeding.
21. DEFAULT: Neither Party shall be in default under this Agreement or in breach of any provisions hereof unless and until it has been given written notice of such default by the other Party and shall have failed to cure such default within a reasonable period of time after receipt of such notice, except for default in any payment by the LICENSEE in which case the LICENSEE shall cure such default in payment within thirty (30) days after the LICENSEE's receipt of written notice by the CITY. Where a default other than for payment cannot reasonably be cured within a thirty (30) day period, if the defaulting Party shall proceed promptly to cure the same and prosecute such cure with due diligence, the time for curing such default shall be extended for such period of time as may be necessary to complete such cure. Upon the failure to cure any such default within thirty (30) days after notice thereof or within thirty (30) days plus the extension for curing with due diligence as set forth above, the Party giving notice of the default may thereupon terminate by providing written notice to the defaulting Party. Upon default by either Party, the non-defaulting Party shall have the right to pursue all remedies available at law or equity.
22. AMENDMENTS:
- a. This Agreement may be modified or amended from time to time, provided, however, that no such amendment or modification shall be effective unless reduced to writing and duly authorized and executed by the Parties by the same procedure as required by Illinois Statutes for its original execution and approval.
 - b. A new Right-Of-Way Use License Application and Right-Of-Way Use License Agreement shall be required if the LICENSEE desires to extend its license area, or extend or locate its Facilities in Public Ways and Public Streets which are not included in this Agreement.
 - c. Notwithstanding subsection "a" and subsection "b" above, the LICENSEE may be permitted by the CITY to use specific Public Ways and Public Streets other than or in

addition to the specific Public Ways and Public Streets listed in this Agreement upon approval by the CITY's project manager, or his or her designee, of an amended application pursuant to the Naperville Municipal Code.

- d. Notwithstanding subsection "a" and subsection "b" above, if the LICENSEE is ordered by the CITY to locate or relocate its facilities in Public Ways and Public Streets not included in this Agreement, the CITY shall grant an amendment to the License without further application.
 - e. The CITY's project manager, or his or her designee, may approve in writing appropriate field changes requested by the LICENSEE in the plans and specifications approved by the CITY, without requiring an amendment to this Agreement. Decisions on requests by the LICENSEE for field changes shall be made not more than ten (10) business days after the LICENSEE provides all information and/or documentation requested by the CITY's project manager, or his or her designee.
23. TIME ESSENCE OF AGREEMENT: Whenever this Agreement sets forth anytime for any act to be performed by either Party, said time shall be deemed to be of the essence.
24. TIME FOR NOTICE: In the event of an emergency involving life or property, as determined by the CITY in its reasonable judgment and discretion, the CITY may reduce or eliminate the notice requirements set forth in this Agreement, and any such reduction or elimination shall be deemed to be reasonable under the circumstances, provided, however, that the CITY shall notify the LICENSEE as soon thereafter as possible in accordance with this Agreement.
25. FORCE MAJEURE: Whenever a period of time is provided for in this Agreement for either the CITY or the LICENSEE to do or perform any act or obligation, neither Party shall be liable for any delays or inability to perform due to causes beyond the control of said Party such as war, riot, insurrection, rebellion, terrorism, strike, lockout, unavoidable casualty or damage to personnel, materials or equipment, fire, flood, storm, earthquake, tornado or any act of God, provided, however, that said time period shall be extended for only the actual amount of time said Party is so delayed. An act or omission shall not be deemed to be "beyond a party's control" if committed, omitted or caused by a party, its employees, officers or agents.
26. TERMINATION: The LICENSEE shall have the right to terminate this Agreement at any time during the term of this Agreement upon one hundred eighty (180) days prior written notice to the CITY without any additional cost or obligation to the LICENSEE. Upon the expiration or termination of this Agreement, the LICENSEE shall have the option to, without expense to the CITY and within

such time as the CITY may reasonably require, remove its Facilities located in the Public Streets and Public Ways and restore such Public Streets and Public Ways herein authorized to be used and occupied to a condition reasonably satisfactory to the CITY, or to abandon said Facilities. In the event the LICENSEE elects to abandon its Facilities located in the Public Streets or Public Ways, the CITY, after thirty (30) days prior written notice from the LICENSEE, shall be allowed to take control over said Facilities as property of the CITY, without compensation to the LICENSEE, and in no event, shall the LICENSEE have any obligation to the CITY for abandonment of said Facilities unless the Facilities pose a public hazard or threat to public health or safety.

27. SEVERABILITY SAVINGS CLAUSE: If any part of this Agreement including any section, subsection, sentence, clause, phrase, or other portion of this Agreement or its application to any person is, for any reason, rendered or declared invalid in whole or in part by any court, agency, commission, legislative body, or other authority of competent jurisdiction, said decision shall not affect the validity of the remaining parts or portions of this Agreement which shall remain in full force and effect.

28. GENERAL

- a. Non-Waiver Of Rights: No failure of either Party to exercise any power given to it hereunder or to insist upon strict compliance by the other Party with its obligations hereunder, and no custom or practice of the Parties at variance with the terms hereof, shall constitute a waiver of either Party's right to demand exact compliance with the terms hereof.
- b. Governing Law, Venue And Waiver Of Trial By Jury
 - i. Governing Law: This Agreement and the rights of the parties hereunder shall be subject to, construed, interpreted and enforced in accordance with and governed by the laws of the State of Illinois.

- c. Notices: All notices and other communication or writings which any Party is required, permitted or may wish to serve in connection with or under this Agreement shall be in writing, and shall be deemed delivered to the addressee thereof when sent by certified mail, return receipt requested, or personal service to the Persons and addresses indicated below or to such addresses and Persons as either Party hereto shall notify the other Party of in writing pursuant to the provisions of this subsection.
